Here are just a few good reasons to join the Parade:

- We had 700 visitors at the 2015 Parade!
- Each home averaged 300-500 visitors over the three days of the Parade.
- No other open house scenario will get that much exposure for your business!
- Most Parade visitors are qualified homeowners looking for a builder for an upcoming project.
- Visitors are looking for both builders and remodelers.
- All proceeds from ticket sales are donated to a local children's charity.
- Hear directly from our LRBRA builders how the Parade has been a boon to their business.
